Excerpts From Daily Log Notes, L&R Officer, 24 July 1974

1. (ADMIN INT USE ONLY) [] I called Peter Buckley, Canadian Press, today to ask if he had any idea why there has been no response yet to the letter [] sent to their Toronto office in May regarding the possibility of subscribing to their wirefile. Mr. Buckley was surprised to hear that we had not yet received an answer and he said he would send a message to Toronto to find out what had happened.

He called later this afternoon to say that the Toronto office has not yet heard from AP, which has the exclusive distribution rights for Canadian Press in the United States. Mr. Buckley said they will remind AP that they are still waiting and he seemed confident that we will soon have an answer. (cc: O/Director, C/EPS, C/Ops, AC/PCS, For. Lia)
